

BLOWERS FOR FLUIDIZED BEDS

WHEN IT COMES TO FLUIDIZING SAND, SHELL-O-MATIC HAS THE EXPERIENCE AND EXPERTISE TO HELP YOU.

We go beyond just calculating the air pressure and flow required to fluidize your sand since we have a database of over 140 successful test results recording the proper combination of blower to sand type to ensure proper sand fluidization.

At Shell-O-Matic there is no surprise: you get the right blower to fluidize your sand with proven performance all the time. The blowers we use are high speed, compact and high flow systems that have passed the test of time.

- » Compact design/energy efficient.
- » Reliable solutions that have passed the test of time.
- » Perfect sand fluidization all the time.
- » Dust collection system.
- » Turnkey package with properly sized fluidized bed and blowers for your application.
